TOWN WARRANT.

To the Inhabitants of the Town of Greenville, N. H., in the County of Hillsborough, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Greenville, on Tuesday, the tenth day of March next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year, and make appropriation of the same.
3. To hear reports of agents, auditors, committees and officers heretofore chosen and pass any vote relating thereto.
4. To see if the town will vote to authorize the selectmen and treasurer to borrow money for the use of the town.
5. To see if the town will vote to raise and appropriate the sum of sixty dollars for decorating soldiers' graves.
6. To see what sum of money the town will vote to raise and appropriate to liquidate the school fund.
7. To see if the town will vote to raise and appropriate the amount of money necessary to secure state aid for the permanent improvement of highways.
8. To see what sum of money the town will vote to raise and appropriate to exterminate the brown tail and gypsy moths.

9. To see what sum of money the town will raise and appropriate for the library.

10. To see what action the town will vote to take with reference to using one of the rooms now rented for store purposes for a public library and see what sum of money the town will raise and appropriate to fit up and furnish the same for said purpose.

11. To see what rent shall be paid for what room is rented for store purposes.

12. To see if the town will raise and appropriate a sum of money to buy a piano for town hall or take any action thereon.

13. To see if the town will vote to raise and appropriate a sum of money necessary to concrete the rest of the sidewalk leading from John Greenwood's corner to Mrs. King's.

14. To see if the town will place an electric light near the house occupied by Mr. Buley at the east end of Rock avenue, so called.

15. To see if the town will raise and appropriate a sum of money to repair sidewalks.

16. To see if the town wants any more insurance on town building.

Given under our hands and seal this twenty-second day of February, in the year of our Lord nineteen hundred and eight.

ALVIN GREENE,

P. J. LECOURT,

MARTIN HOGAN,

Selectmen of Greenville.

FIRE WARDS' REPORT.

The Fire Wards respectfully submit the following report:

During the past year the fire department has responded to four alarms. The only fire that was disastrous was December 9, 1907, when the Boston & Maine Railroad bridge was burned.

The other fires were June 18, 1907, in the Columbian Mfg. Co.'s picker room; September 18, 1907, Mrs. Harrison's house; and again at Mrs. Harrison's, January 19, 1908.

There have been more still alarms than in any previous year since the company was organized. During the year the fire wards have purchased a hose wagon with a capacity for carrying 800 feet of hose, also two ladders, axe and crow-bar, with a place arranged for two fire extinguishers.

With this substantial addition to our fire apparatus, the efficiency of the department will be greatly increased in time of need.

The company appeared on parade May 30 by invitation of Herman Shedd Post, G. A. R.

REPORT OF CEMETERY TRUSTEES

As heretofore we have endeavored by cleaning of leaves and rubbing and righting up headstones to keep our cemetery grounds in a neat and tidy condition. We find with but few exceptions that owners of lots expect the trustees to care for them more than formerly.

Since our last report ninety new lots have been laid out and marked with granite posts, with broad walks running between them. These we feel must answer all demands for a long time. The hearse house, gates and fence posts should be painted soon.

ISAIAH WHEELER,

REPORT OF BOARD OF HEALTH.

In presenting this report we wish to call attention to such facts as will interest all.

Four houses have been fumigated for tuberculosis as required by law. In June, scarlet fever broke out in the south part of the town. The house was promptly quarantined and the disease confined to one family. As a matter of precaution, the public school building was fumigated.

During the year, children in both public and parochial schools have been vaccinated.

The dumping ground has had the same care as in years past.

We wish to call attention to public health laws, Chap. 2, Laws of 1903. Sec. 1. It shall be unlawful for any person to spit upon any sidewalk in the compact part of any city, village or town, or in any railway station, hall or other public place, or in any street or steam railway car other than smoking cars except into spittoons or receptacles provided for that purpose.

S. H. BACON, *Chairman,*

H. J. TAFT, *Treasurer,*

B. D. PEASE, *Secretary.*

We wish to call attention to the unusual amount of interest that has been manifested in the library during the past year as shown by an increase of 1,000 visitors.

The trustees have endeavored to coöperate with the work of the schools by getting reference books that would most benefit the pupils.

A number of nature study books especially for children have been added.

We urge upon all public-spirited citizens the necessity of more room for the library. At present, the room is in a crowded condition, there being no space to classify books and a most limited amount of shelf room.

The library is a permanent institution and should have the hearty support of all.

Number of visitors for the year, 5,845.

Number of books in circulation, 3,600.

We would recommend the same appropriation for the support of the library by the town as in past years.

REPORT OF AUDITORS.

We have examined the accounts of the following town officers: Selectmen, Town Treasurer, Fire Wards, Cemetery Trustees, School Board and School Treasurer, for the year ending February 15, 1908, and find them correctly cast and properly vouched. We find that the Road Agent's bills rendered to the Selectmen correspond with the town orders issued to him.

REPORT
OF THE
SCHOOL BOARD
OF
GREENVILLE, N. H.

REPORT OF SCHOOL BOARD.

To the Citizens of the Town of Greenville, N. H., the Board of Education presents the following report of the schools for the year ending Feb. 21, 1908.

The schools have been in session thirty-six weeks, the usual length of time.

The work of the year began with the following instructors: Miss Mayola F. Furber in grammar room, Miss Alice W. Batchelder in intermediate room, Miss Martha M. Whitney in primary room, assisted by Miss Marion Kimball in lower primary room.

As the number of children increased in the lower primary, it was decided best to return to the old plan, and make it an independent room, with Miss Carmen McIntyre from the Emerson School of Oratory as instructor, Miss Kimball having resigned. Miss McIntyre also had classes in reading and elocution.

The schools took the usual interest in Memorial Day and its exercises, which is considered of great benefit to the children, arousing in them the true patriotic spirit.

Jamestown Day was celebrated by appropriate exercises, and the 13th day of May was given for a holiday as suggested by Mr. Morrison, the state superintendent of schools.

The book, "The Constitution of New Hampshire," by Gault and Spaulding, has been introduced into the school work, according to the school laws of the State of New Hampshire, Chapter 92, Public Statutes, Section 6, as amended during the session of 1903.

The work in music, under Miss Annie P. Stevenson, and in art, under Mrs. Fannie A. Wheeler, was especially shown at the graduating exercises, both in the well sustained parts in the songs, and in the dainty and original covers for the programs.

Eight pupils were graduated, all having passed, not only the examinations required by our school, but those for the entrance to New Ipswich Appleton Academy as well. These were: Miss Sadie J. Cowan, Miss Ruth H. Hayden, Miss Hester M. Price, Miss E. Mae Smith, Master Fred Cournoyer, Master Victor Fournier, Master Ralph B. Livingston, Master Wilbur H. Tenney. The baccalaureate sermon was delivered to the graduating class by Rev. Tyler E. Gale, in the Congregational church, all members of the class being present, and the Baptist Society uniting in the services.

There were nearly one hundred present at the exercises of the graduating class held in the school house, June 14, 1907, including parents, friends and interested citizens. The diplomas were given by Miss Lillie M. Bacon, chairman of the board, and thanks were extended to Judge Perry of Brooklyn, N. Y., who presented the school with a handsome globe.

During the long summer recess, the schoolhouse was most thoroughly fumigated, under the direction of the board of health, thereby putting it in perfect condition for the opening fall term, also during the summer Miss Furber attended the State Normal at Plymouth, N. H., as this training is more and more deemed necessary for the most efficient work.

Mr. Henry I. Whitney was chosen truant commissioner for the year, and the work that fall to his share is not light, as in accordance with Chapter 46, Laws of 1895 of the State of New Hampshire, as amended by Chapter 91, Section 1, Laws of 1905, the report of the district regarding the enumeration of children is required, with the following results: Number of children between the ages of 5 and 16 years, boys, 178; girls, 166; total, 344. Number between the ages of 10 and 16 years, not able to read and write in the English language, none. Number of those born in New Hampshire, 258, one not known. Number born elsewhere in United States, 37. Number born in foreign countries, 48. Number between the ages of 8 and 14 years, who do not regularly attend school, 6.

On Monday, Sept. 9, 1907, the schools opened with 96 pupils, with Miss Mayola F. Furber and Miss Alice W. Batchelder in their former rooms; Miss Lena F. Cummings of Cheshire, Mass., a graduate of the North Adams Normal School, in the primary room, and Miss Martha M. Whitney in the lower primary.

The number of children in the schools is constantly changing, as several have moved to other towns, taking certificates, and their places are more than filled by new comers from time to time.

The contract with New Ipswich Appleton Academy was renewed at ten dollars a term for each pupil. During this last term thirteen pupils from Greenville have been attending the academy, making a very creditable showing, for it is practically our high school, and stands in that relation to our town; open to all who wish to avail themselves of the privileges.

We have followed the custom of previous years and have paid our proportion of the expense of maintaining No. 6 school in Mason. A perusal of the treasurer's report will show that our receipts for tuition from Mason are less than usual, while our proportion of expense for maintaining No. 6 school is more, as we have a larger number of pupils attending at the present time.

The balance in favor of Mason last year for tuition was \$106.50; this year it is \$143.10; showing an increase of \$36.60.

There was the usual Thanksgiving recess, and also the annual Christmas festivities and the vacation following of two weeks.

Whittier's birthday was observed Dec. 17, 1907, with appropriate exercises, also Washington's birthday on Feb. 21, 1908 (instead of the 22d, as the schools were closed on that day).

It is deemed both wise and imperative to ask for a much larger appropriation for the school needs this coming year, for not only does the increased number of pupils attending the academy make a great drain upon the treasury, but in order to fulfill the educational demands of the state, and to have the approval of the state superintendent of public instruction, it is necessary to have trained teachers. The supply of good ones being limited, a

larger remuneration for their services is therefore required. Then too, a piano would be great benefit, and should be part of the school equipment, as it is in other good schools.

There is much that the school board would like to have done for the scholars to aid in efficient work, and to make them second to none, but we are asking only for the necessities, and the kindly interest with sympathetic and substantial support that every school should have, not only as an aid to the workers in its behalf, but for the best development of the children that come under their care, many of whom, will soon be our citizens and voters in town affairs.*

The following pupils are entitled to a place on the roll of honor.
